

**Autumn 2010 Hopscotch House
Individual Artist Stipend Request Form**

for retreats of at least 3 nights taking place between

October 1st, 2010 – December 19, 2010

(Please mail this form with your Individual Artist Retreat Request form.)

KFW is offering up to \$200 in stipend assistance for a limited number of artists participating in quarterly retreats lasting at least 3 nights. KFW stipend funds are limited to a total of \$400 per quarter, so please request only if necessary and only the amount needed for your retreat. The maximum amount an artist may request is \$200 in stipend funds.

In considering these stipend requests, priority will be given to first-time artists, especially those from KFW's priority populations, including women who are low income, those living outside of the Metro Louisville area or from rural areas, lesbians or bisexuals, and women of color. In addition, beginning this quarter, if the maximum quarterly funds are not requested from first time users, artists from KFW's priority populations who have previously completed a retreat or residency may request a stipend of up to \$200.

Since stipends funds are very limited, please request only if necessary and only the amount needed for your retreat.

Name _____

Place of Residence _____

Low income: Please circle one: YES NO

(Based on eligibility to receive income-based benefits from a federal assistance plan).

1.) Please list the amounts needed in each category:
