

Fill out the Application Form

Individuals should fill out all sections that indicate *for individuals*. The only section that individuals should not fill out is the section marked *for Organizations only*. Organizations should fill out all sections. The following is a brief description of each section of the application form.

For Individuals and Organizations:

Fill out your name, mailing address, contact information, whether you have received KFW funding in the past, how many years you've resided in KY (for individuals only—organizations should answer year organization founded in the next section), the county (not country) in which you currently reside, and how you found out about KFW.

Amount of this request is the amount of money you are requesting from KFW in this grant application. The **Total Budget** is the total amount of money that it will take to complete the proposed activities. In most cases, the total budget will be larger than the amount of the request to KFW, since many activities will have additional sources of funding. KFW is rarely able to support the full costs of any project.

Section for Organizations Only: Organizations should fill out the name and contact information of the primary contact person for this grant, that person's position within the organization, or group, the year the organization was founded, the geographic area and population served, and the organization's mission statement or founding purpose.

Circle the art form that best describes this project.

Please circle the ONE art form that represents the strength of this application. Your choice determines the review panel to which your application is assigned. If your project or activities involve more than one art form, please choose the form in which you think your application and/or work sample is the strongest.
