

## **Hopscotch House & COVID-19**

In response to the global climate, we seek to provide some respite for feminist artists in our community that will adhere to COVID-19 regulations and agree to keep the Hopscotch House safe for everyone. Artists interested in an escape to work on their art, a place to spend time in nature, and/or to receive a respite from the current stay-inside culture are encouraged to attend.

### **Before You Attend:**

It our highest priority to protect our retreat participants, our staff and their families. If you or any of your family members have been sick or have experienced any of the COVID-19 symptoms, you are ineligible to apply or attend this retreat. For a list of symptoms, [click here](#).

### **Per COVID-19 regulations, these are the retreat considerations:**

- 1) If you are sick or have experienced any COVID-19 symptoms in the last two weeks, you are ineligible to attend this retreat.
- 2) If you become sick within a few days of your retreat date or during your stay, please contact the [Residency Manager](#) to discuss arrangements.
- 2) During the retreat, only common areas are available for group use. Common areas include the living room, kitchen, and outside deck.
- 3) Please use the bathroom that is closest to your room. Please refrain from sharing your bathroom and bedroom area.
- 5) A thermometer will be available on the blue table in the kitchen. A temperature check is required when entering the house.

Participants are responsible to bring and wear masks throughout their retreat stay. You may bring rubbing alcohol, Clorox wipes, and/or hand sanitizer with you. Hand soap and paper towels are available. The house will be cleaned and sanitized the Sunday after each retreat.

### **Hopscotch House COVID-19 Policy During Your Stay**

In accordance with the Kentucky Cabinet for Health and Family Services, we require retreat participants to adhere to follow COVID-19 instructions:

- Maintain a distance of 6 feet from any person
- Wear face coverings when using common spaces indoors
- Wear face coverings when outdoors and unable to maintain a 6 ft distance

- Implement good hygiene measures, including regular, thorough handwashing
- Encourage participants that are sick to remain home or leave the premises
- Regularly clean and disinfect frequently touched objects and surfaces.

For more information on state-mandated regulations, [click here](#).

**\*Please note** - If retreat participants are not able to abide by COVID-19 regulations and the considerations above, Hopscotch House will be closed immediately for everyone and the retreaters/s will be prevented from attending in the future.
