What is the Artist Enrichment Grant?

The Artist Enrichment (AE) grant provides opportunities for feminist artists and arts organizations to further their artistic development to create art for positive social change.

Applicants may request funds for a range of activities that will help them develop as feminist social change artists, including but not limited to attending artist residencies, workshops, or conferences; working with a mentor; seeking feedback on works-in-progress through workshopping or other avenues; exploring new areas or techniques; or building a body of work.

Applicants to the AE grant program, like the AMA grant program, should show high artistic quality in the work sample, and should be able to demonstrate their commitment to feminism and their understanding of the relationship between art and social change. [\[Back to Top\]](#)

Completing the Application

These are the questions that will be on the online application. They are provided here for you to prepare your application materials and work sample in advance.

The application will include the following questions:

1. APPLICATION FORM

You will fill in basic information about the applicant on this online form.

2. DESCRIPTION OF PROPOSED ACTIVITIES

a. **SUMMARY:** In two sentences, summarize the Artist Enrichment activities proposed and their intended results and impact. In this brief summary, explain the relationship of these art activities to feminism and social change.

b. **ACTIVITIES:** Fully explain the Artist Enrichment activities proposed. Clearly describe what you want to do, including how the activities described relate to your budget request. Prepare a clear, detailed, and realistic timeline and work plan. *If the activities depend on the involvement of a person, place, or organization, you might consider including a statement of commitment.*

COVID PLAN: Please keep in mind as you plan your activities that COVID-19 may still be a factor and safety recommendations may change. If there is a chance that your proposed activities might be impacted by COVID-19, please provide an alternative plan and timeline in the included COVID-19 section. Reviewers will be instructed to take both plans into account when making their decision. If your artistic development activities would not be affected by COVID-19 shutdowns or social distancing, you can write “My plans would not be affected by COVID-19.” in this section.

c. **FEMINISM:** How is your understanding and practice of feminism shown in your work sample and in the activities you are proposing?

d. **ARTISTIC DEVELOPMENT:** How will the proposed activities result in your development as a feminist social change artist? Please list or describe specific goals.

e. **SOCIAL CHANGE IMPACT:** How will the results of the activities lead to short-term and long-term changes in Kentucky, such as changes in knowledge, attitudes, awareness, definitions, engagement, or behaviors? What kinds of indicators will you use to show that the results of the art activities will advance social change?

SOCIAL CHANGE IMPACT: BRIDGING DIVIDES: Many KFW grantees are already working in powerful ways to **bridge divides** in their art, projects, and communities, with real and sustained impact. This is your chance to let the reviewers know what ways **this grant** would allow you to bridge divides and create broader social change for women and girls in Kentucky.

3. BUDGET

You will upload your budget as a Word, Excel, or PDF file. The budget should detail both income and expenses. Expenses can include artist fees, materials, travel, and other items. Income should include your KFW grant request and other grants, donations, or in-kind contributions. The budget should clearly indicate how items listed relate to the proposed activities. Do not include links in your budget upload as they are not viewable by reviewers.

4. BIOGRAPHICAL STATEMENT

Include your (or the lead artist's) past artistic and/or activist accomplishments, current work, and future goals. Include information that is relevant to your application and shows experiences that relate to the goals you are proposing. It can include artistic, personal, educational, and job-related experiences.

5. WORK SAMPLE

Include (min and max) either: 15-20 pages of writing; 10-12 poems; 10-12 images; or 15 minutes of audio or video material. We highly recommend staying within the stated limits. Reviewers are instructed that they do not have to view work that goes beyond the limits that are given. Submitting additional work samples above the limits does not strengthen your application.

6. LETTERS OF RECOMMENDATION

The letters of recommendation may be included in your application. If they are sent separately, they must be postmarked by the grant deadline. The two letters combined should address: the current or potential quality of your art, your commitment to feminism, your understanding of social change, and a realistic assessment of your ability to complete the activities you are proposing. Further details are provided in the application. [\[Back to Top\]](#)
