

AMA Grant Criteria

- Artwork in the sample is strong and reflects feminism and social change.
- Proposed activities will engage communities in artmaking that directly benefit women and girls in Kentucky.
- Application and work sample demonstrate applicant's understanding and practice of feminism.
- Application and work sample demonstrate a clear understanding of the relationship between art and social change.
- The work plan, timeline, and budget are clear, detailed, and realistic.
- Applicant's ability to complete the proposed activities is clearly shown.
